

GENERAL LITURGICAL CALENDAR

This calendar is specific to the Carmelite Order and to the Roman Catholic Church in Ireland.

The following abbreviations are used:

SOL - Solemnity: Days of the highest celebration and solemnity and which must be celebrated in full with special readings and prayers.

FEAST - Feast: must be celebrated with special readings and prayers.

Mem - Memorial: the particular saint is to be remembered in concluding prayers and special readings may also be used.

O Mem - Optional Memorial: a particular saint is in the Roman Calendar but need not be remembered throughout the Church but only in places with particular devotion to that saint.

Com - Commemoration.

Unless otherwise noted by **O.Carm** or the name of a diocese, all the solemnities, feasts, memorials and commemorations given above are celebrated in all places. Optional memorials may be celebrated though there is no obligation to do so. They are usually celebrated in places which may be named after the particular saint. In some instances, such as October 1, the celebration may only be a memorial for the Church but may have greater significance and importance for a diocese or religious Order.

On Saturdays where there is no other celebration noted, the Mass may be a memorial of the Blessed Virgin Mary.

The Church's year begins on the vigil of the First Sunday of Advent and continues through to the vigil of the First Sunday of Advent the following year. During the year, Sundays take precedence over feasts in which case the feast or memorial, should it fall on a Sunday, is not celebrated that year. The Season of Lent also takes precedence over memorials which fall during the season.
